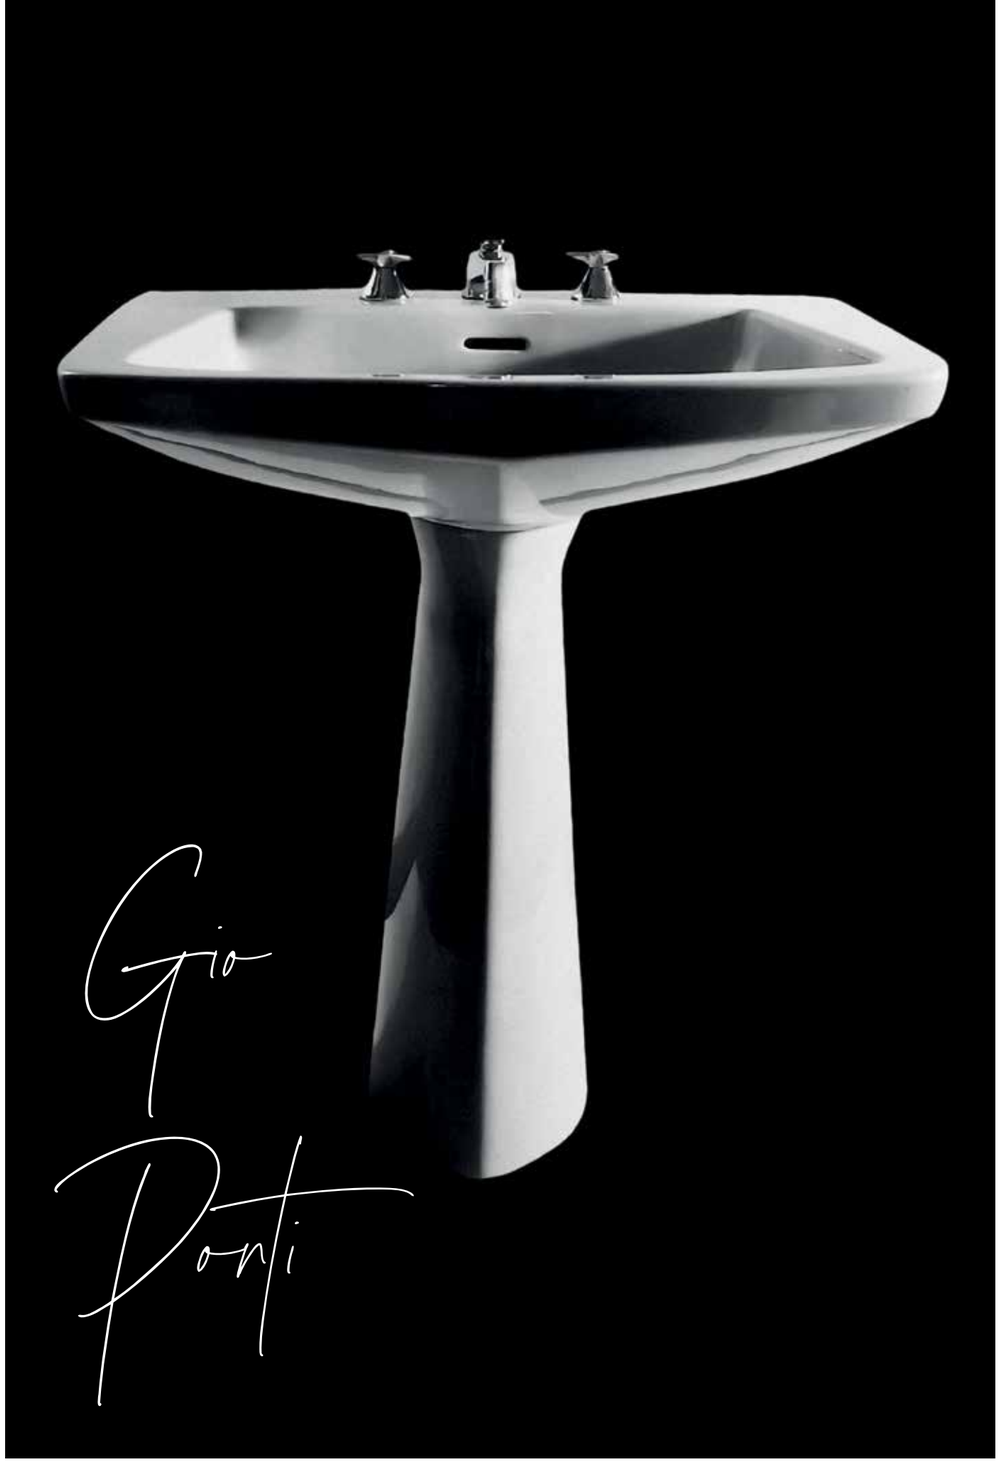
Tipo-Z — CERAMICS COLLECTION

DESIGN **LUDOVICA+ROBERTO PALOMBA**

CONTEMPORARY VINTAGE. REINVENTING GIÒ PONTI'S ORIGINAL ARCHETYPE,TIPO–Z WAS REBORN AS A SINGLE MONOLITHIC PIECE, IN A SENSUAL, ELEGANT AND DELICATE SILHOUETTE THAT RESEMBLES A TRUE PIECE OF ART.



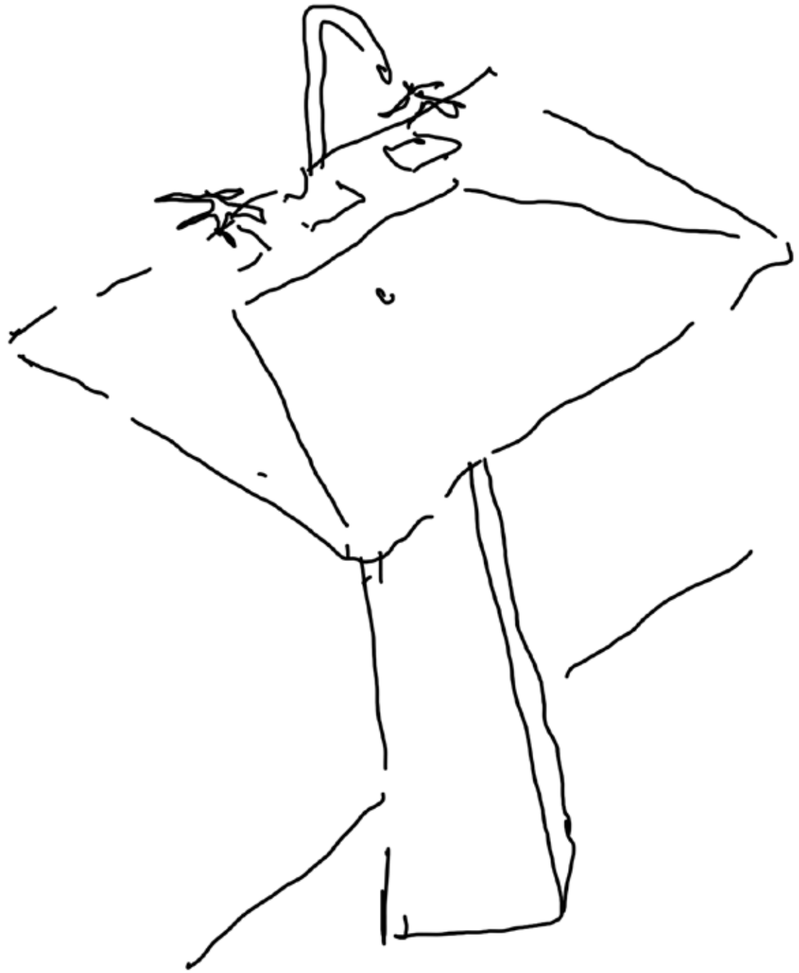
Ponti-Z

— 1954

"WHICH TRADITION SHOULD WE KEEP?
ONLY ONE, THAT OF TRANSFORMING THINGS.
WHERE THINGS DO NOT TRANSFORM,
TIME DOESN'T EXIST, HISTORY ISN'T CREATED".

— GIO PONTI

The reinvented collection
— 2021



TIPO-Z WAS A GREAT CHALLENGE AN ALMOST UNTHINKABLE TARGET FOR OUR TECHNICAL ENGINEERS WHO WORKED TIRELESSLY TO ACHIEVE THE GOAL.

"IDEAL STANDARD HAS SET ITSELF THE GOAL OF CREATING A UNIQUE PIECE IN LIGHT AND THIN CERAMIC. NOT EVERYONE WOULD HAVE BEEN ABLE TO CARRY OUT THIS AMBITION. IT IS A TRIBUTE TO THE MANY IDEAL STANDARD ARTISANS, FROM GIO PONTI IN 1954 TO TODAY."

— ROBERTO PALOMBA

"TIPO–Z HAS A CHARACTER,
IT HAS A PRECISE IDENTITY
AND WANTS TO SHOW IT."

— ROBERTO PALOMBA
